How to protect Audio/Video demo:

<http://www.drm-x.com/Flexible-Rights-Management-3.0.aspx>

It's very easy to protect your files. Let's begin right now.

Login your DRM-X account

Go to 3.DRM-X.com and click the **Customer Login (DRM-X 3.0)** tab on the top menu and input your Email and Password to login to your DRM-X 3.0 control panel:

<http://3.drm-x.com/login.aspx>

Enter the page of Protect Audio/Video

1. Click the first icon – Protect Audio/Video (WMV, WMA, MP4, FLV, MP3).

2. Download and install DRM-X 3.0 Desktop Packager

If it is the first time you come to this page, the IE explorer will remind you of downloading [DRM-X 3.0 Desktop Packager](#). Please click that button to download.

You will protect Audio/Video files online after you download and install it.

Protect Audio and Video

Follow steps in the new page to protect your files.

3.1 Select a License Profile.

You can protect multiple videos with one License Profile. There is a default License Profile, you can edit the profile or create a new profile for protecting your videos.

Click the **New Profile** on the right top. It will pop up a new window like below:

Add License Profile (*=Required Fields)

Profile Name: *																	
Default Rights *	<table border="1" style="width: 100%; border-collapse: collapse; text-align: center;"> <thead> <tr style="background-color: #d9e1f2;"> <th style="width: 10%;">Select</th> <th style="width: 60%;">Right Name</th> <th style="width: 10%;">Price</th> <th style="width: 20%;">Right Details</th> </tr> </thead> <tbody> <tr> <td><input type="checkbox"/></td> <td>播放10次 价格100元</td> <td>100</td> <td>Details</td> </tr> <tr> <td><input type="checkbox"/></td> <td>No Print open 3 times per license</td> <td>5</td> <td>Details</td> </tr> <tr> <td><input type="checkbox"/></td> <td>Rent for: 3 times, 24hours, \$9</td> <td>9</td> <td>Details</td> </tr> </tbody> </table> <p style="text-align: center; margin-top: 5px;">Add New Rights</p>	Select	Right Name	Price	Right Details	<input type="checkbox"/>	播放10次 价格100元	100	Details	<input type="checkbox"/>	No Print open 3 times per license	5	Details	<input type="checkbox"/>	Rent for: 3 times, 24hours, \$9	9	Details
Select	Right Name	Price	Right Details														
<input type="checkbox"/>	播放10次 价格100元	100	Details														
<input type="checkbox"/>	No Print open 3 times per license	5	Details														
<input type="checkbox"/>	Rent for: 3 times, 24hours, \$9	9	Details														
Security Version: *	3.0																
ProductID in your system(Optional):																	
<div style="background-color: #4f81bd; color: white; padding: 5px 15px; border-radius: 5px;">OK</div>																	

Click **OK** button when you finish new profile.

3.2 Add License Rights to the License Profile.

Step 2. Rights of the selected License Profile:

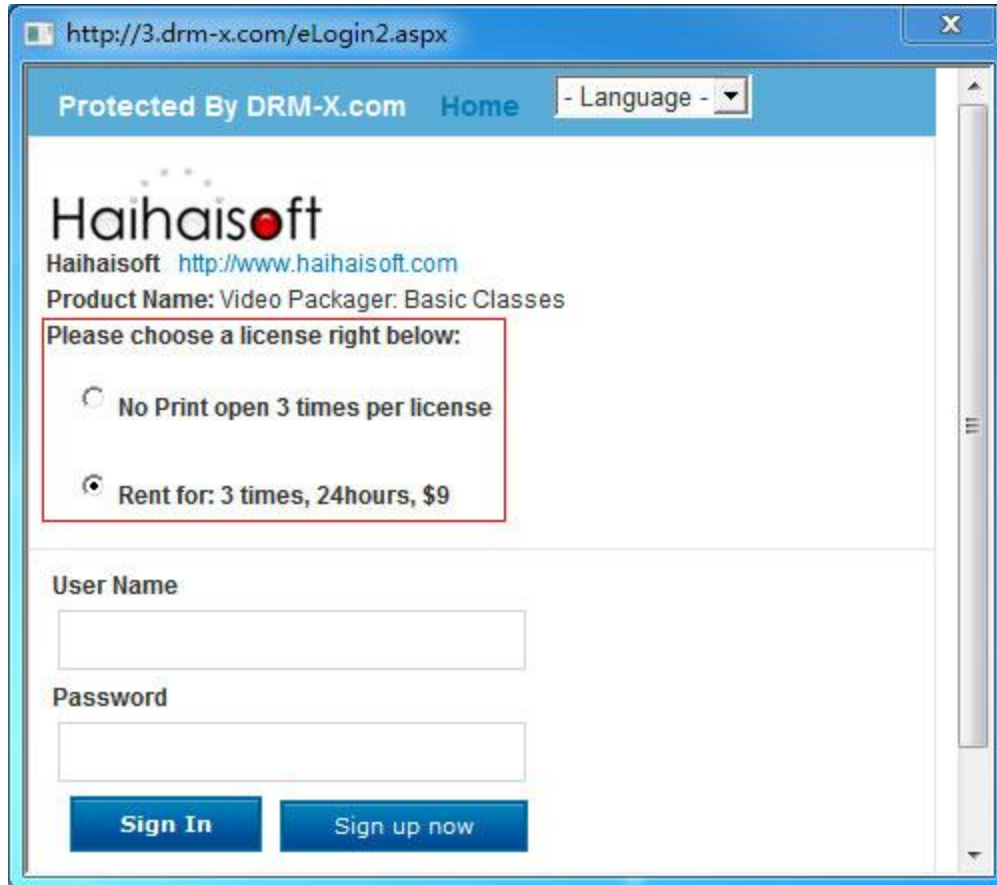

Right Name	Price	Right Details	Edit Right	Delete
No Print open 3 times per license	5	Details	Edit Right	✗
Rent for: 3 times, 24hours, \$9	9	Details	Edit Right	✗

You can add some Rights for the License Profile. Click the **New Rights** link on the top right to create new Rights. It will pop up the new window:

Add Right (*=Required Fields)	
General Right Settings	
Right Description: *	<input type="text"/>
Right Price: *	<input type="text"/> RMB Set Currency
Play Count or Open Document Count * ?	<input type="text"/> For unlimited play count, please input -1
Valid Date Range : * ?	<input type="text"/> - <input type="text"/>
Expiration After First Use: * ?	<input type="text"/> Hour(s). To disable this limitation, please input -1
Check Server Time ?	<input checked="" type="checkbox"/> Check expiration date by connecting to Standard Time of server, it may take 1-2 seconds
Protect PDF Document	<input type="checkbox"/> You need to enable Protect PDF Document to set Allow Print & Allow ClipBoard
Allow Print:	<input type="checkbox"/> Allow Print
Allow ClipBoard:	<input type="checkbox"/> User can copy text and print screen

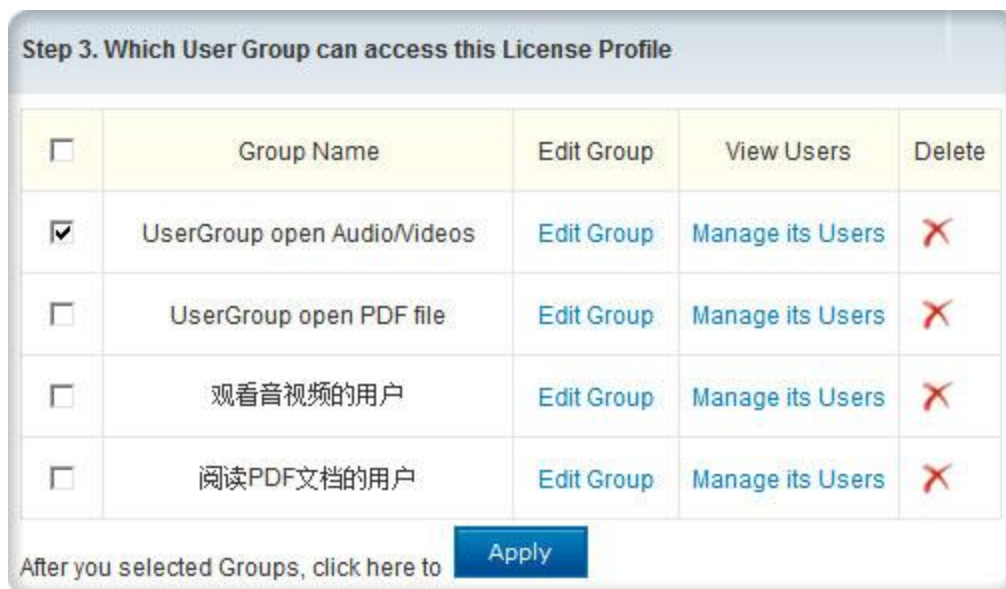

You can edit the settings like Rights name, Price of the Rights, Play count limitation, Expiration etc. for the Rights.

The **Rights** name will also be shown on the login window for users to choose:

When the Rights which the user got is expired or the play count is used up, the user has to get new license if he wants to play the file again.

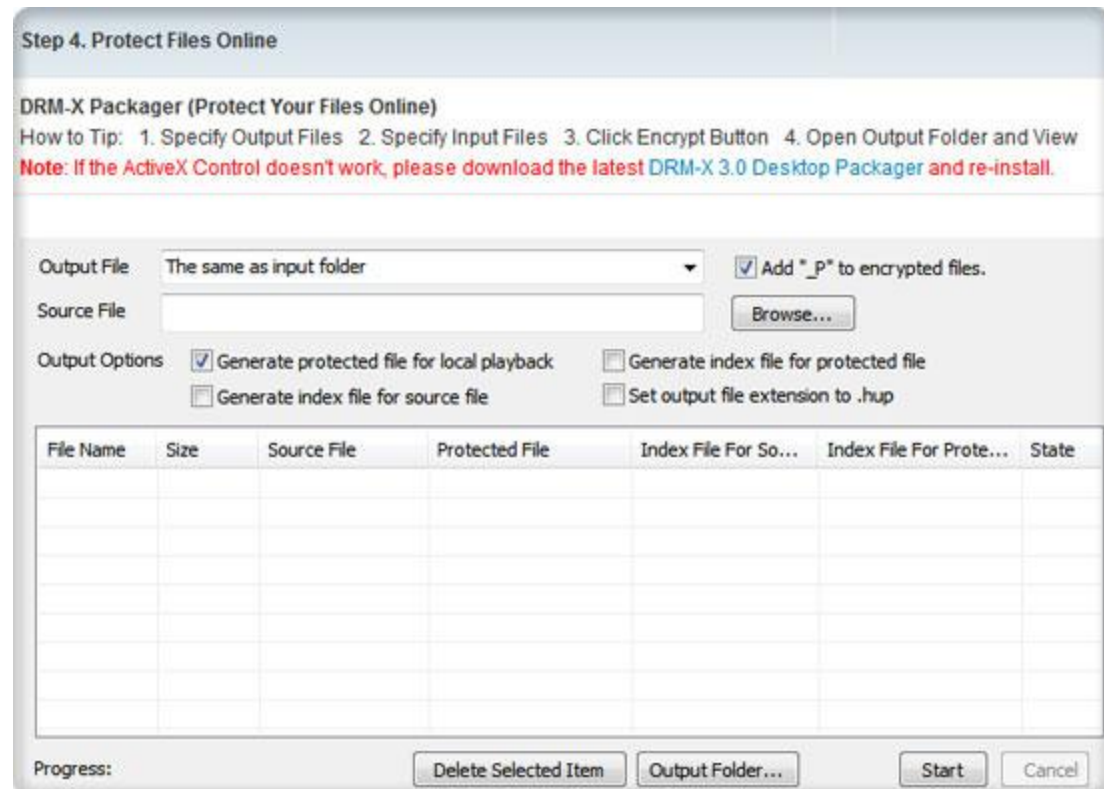

3.3 Select which User Group can access this License Profile.

Only the selected User Group can access the License Profile. So you can limit the access range of your users by this feature.

Don't forget to click the Apply button after you choose the group.

3.4 Protect Audio/Video with DRM-X Online Packager

- Specify output files
- **Browse** the files you need to protect. You can encrypt multiple files at a time.
- Click the **Start** button
- The number of progress will be 100% when it is finished.

View the Protected files
